Speakers

Christopher Goldsmith, President of Student Veterans at NCC, spoke. He described his experiences in Iraq and his subsequent discharge from the military. He also described how these experiences had led him to advocate for legislation that would require that in reviewing a veteran's appeal of his or her discharge classification there be a mental health professional on the review board or as part of the review process any time there is a mental health diagnosis involved. He thanked the Board, the College and Acting President Saunders and, Acting Vice President Conzatti for their support. He also thanked General Counsel for Governmental & Media Relations Chuck Cutolo for his advice in "formulating the strategies to go down to DC and storm the Hill."

Chair Gardyn announced that a date will be determined in the next few days to consider those items which were scheduled on the May 20, 2014 Board Calendar.

Meeting adjourned at 7:56 p.m.

Respectfully submitted,

Arnold Drucker
Secretary Pro Tem
