

WE ARE NASSAU

NASSAU COMMUNITY COLLEGE
STATE UNIVERSITY OF NEW YORK

NASSAU COMMUNITY COLLEGE

NCC is focused on creating an educational **home** for our students that embodies a comprehensive college experience.

Whether you are taking classes to earn an associate's degree, returning to college after a long absence, or need credits to transfer to a four-year university, our goal is to create a **one-on-one connection** with you and to provide continued support.

Best of all – Nassau is **affordable**. Our tuition has not increased for the fourth year in a row, and many of our students receive scholarships, grants and financial aid.

We truly are a **community** at Nassau, committed to guiding you on your path to success.

SUNY

At Nassau Community College, We Believe In Providing You With Smart Options.

- Exciting majors and courses
- A student-focused approach with small classes, financial aid and scholarships
- Access to internships and career development
- A vibrant campus with student clubs and championship sports teams

Meet Nassau Lions Who Made The Smart Choice.

Clockwise beginning at upper left:

- Brooklyn's **Shamar Riley '25**, offensive linesman for the Nassau Lions, is pursuing an A.A. in Liberal Arts.
- Career changer **Elizabeth Stemmler '23**, winner of the SUNY Student Chancellor Award, landed a full-time job as a surgical technologist at Mount Sinai South Nassau Hospital after graduating with an A.A.S. from Nassau's Radiologic Technology program.
- Bethpage accounting major **Matthew Mandoles '23** interned at two tax firms, was inducted into Phi Theta Kappa and Alpha Beta Gamma honor societies, and published articles in the *NCC Journal of Business*.
- Fluent in Spanish, **Emeli Galvez** is a language tutor at NCC and assistant property manager at Landmark Realtors, pursuing an A.A. in Liberal Arts with a major in education.
- A native of Sicily, Italy, **Sophia Costanzo '22** enrolled in English Language courses at NCC and earned an A.A. in Liberal Arts. She is studying at Stony Brook University for a bachelor's/master's degree in foreign languages.
- Farmingdale's **Stephen E. Wiesenbahn '23** was elected Vice President of the Student Government Association, earned an A.A. degree and is headed to Baruch College to study data science and analytics.

As a leading liberal arts institution, we teach the skills that employers want.

Academics

DISCOVER THE RIGHT PROGRAM FOR YOU

Many students are undecided about their major and want to explore different subject areas. Other students are looking to earn college credits to transfer to a four-year university. Some individuals want to enter the workforce quickly and gain the qualifications for a specific field.

At Nassau, we offer a variety of associate degree and certificate programs in 80 career fields, providing countless opportunities for you to succeed. Our dedicated academic advisors and supportive, caring faculty will help you gain the essential knowledge and skills to achieve success in your life.

CHOOSE YOUR LEARNING STYLE

We offer flexible schedules so you can manage your life and work commitments while prioritizing your education. Part-time and full-time study, late semester starts, and single courses are available year-round in all formats, from online options to in-person classes at our Garden City, Long Island campus.

Affordability

MAKE A SMART INVESTMENT IN YOUR FUTURE

Your Guide to Success

A COMMUNITY FOR EVERYONE

NCC offers an extensive selection of academic, social, cultural and recreational activities to enrich the college experience. From a distinguished honors program and tutoring centers to more than 200 student activities and events each year, you will always have access to excellence at the college.

Honors Program

The Carol Farber Honors Program is a community of academically exceptional students with a high school GPA of 88 or higher. The program is designed to provide unique learning experiences, off-campus travel, access to academic conferences and competitions, and coveted internships.

Tutoring Centers

The Writing and Math Centers offer individualized and group student support with tutorial services and assistance in research.

Arthur O. Eve Educational Opportunity Program

The Educational Opportunity Program is jointly sponsored by the State University of New York and NCC. EOP provides academic support and financial assistance to students who show promise for succeeding in college but have limited financial resources.

Center for Students with Disabilities

The mission of the Center for Students with Disabilities is to serve students with documented disabilities by providing them with resources and support. It assists students with advisement, appropriate classroom and testing accommodations, sign language interpreters, assisted learning devices and adaptive computer access.

Career Counseling Center

Students receive assistance with job and internship placements, resume development and job interview skills.

WHPC Radio Station

The College's award-winning radio station, WHPC, provides professional broadcast training to qualified students. The station can be heard at 90.3 FM and nationwide and is the only college radio station in Nassau and Suffolk to broadcast in high definition.

Plaza Art Gallery

The Plaza Art Gallery presents five exhibitions each year including one person and group exhibitions, an annual Art Faculty Exhibit, a juried Art Student Exhibit, and often a juried Open Competition Exhibit.

Veteran Services

The faculty, staff and administration at NCC are committed to helping veterans and students in the military make a smooth and productive transition to college life. There is a dedicated building on campus for Veterans to gather with their peers and receive support.

Theater

No need to head to Broadway! NCC offers 50+ live theater performances annually featuring acting and dance majors, faculty, famous alumni and special guests.

NICE Bus Transportation

Getting to campus has never been easier. On our beautiful 225-acre campus, NICE offers multiple bus routes including an express route throughout the day and evenings.

Adelphi Residence Halls

Through the Nassau-Adelphi Gateway Program, students enrolled at NCC can continue earning their associate degrees while living on and being a part of campus life at Adelphi University.

On-Campus Dining

From Starbucks to The Eatery to food kiosks, NCC offers many options for a quick bite to eat or a leisurely lunch.

Children's Greenhouse

Licensed by the New York State Office of Children and Family Services, the NCC Children's Greenhouse provides outstanding, reasonably priced childcare to allow parents to continue their education knowing that their children are in a safe and nurturing environment.

The Nest

The college's on-campus food pantry provides essential nourishment and other vital support to members of the campus community.

Student Life

GET INVOLVED

At NCC, we truly are a community with an active student life. The Office of Student Activities provides a host of valuable information and services to the campus community. The Office of Student Activities is where you find information about joining a club, starting a club, student event calendars and tickets to special events. The Office also offers technical services such as program planning and campus promotion for events.

80+ STUDENT CLUBS

Participation in student groups provides opportunities for you to develop new relationships and to get to know your classmates. You will have the opportunity to pursue a particular interest, to learn more about your major, to celebrate your culture or religion, or just have fun. You can attend and plan social and educational programs for the entire student body.

GET IN THE GAME

The Nassau Lions dominate the competition. With 25 intercollegiate athletic teams, including cheerleading, a dance team, intramural sports and many fitness classes, NCC competes in the Division III National Junior College Athletic Association (NJCAA). NCC Men's Lacrosse competes in Division I NJCAA.
