

WIRELESS PRINTING

- Open an internet browser.
- Type the following URL: <http://wirelessprinting.ncc.edu> , the following screen appears. [Note.: This address should be saved in Favorite if you will be using this printer for most of your printing.]

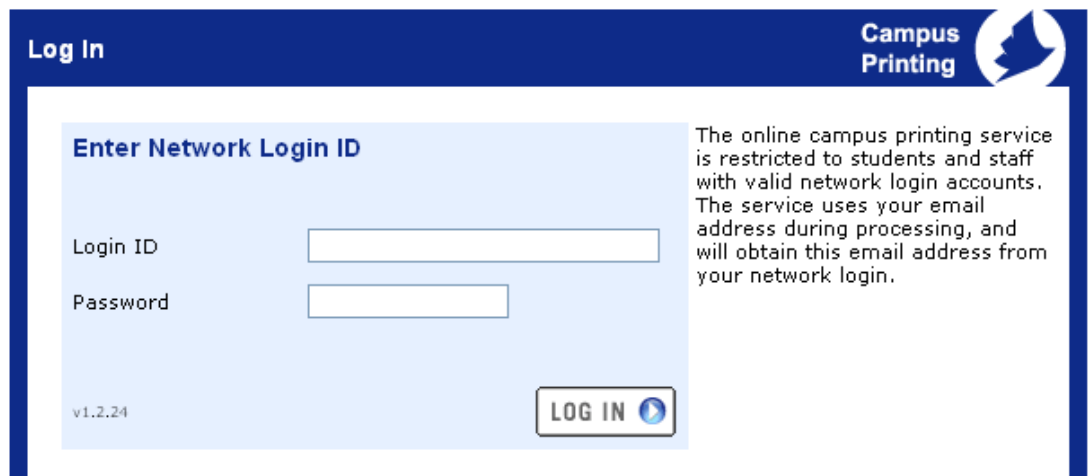

The screenshot shows the 'Welcome to the Campus Printing Service' page. The header includes the 'Campus Printing' logo and a blue navigation bar. The main content area is divided into sections: 'Online Printing' (with a 'PRINT' button), 'Advanced Windows Printing', and 'Printing from your Handheld PDA'. A 'PrinterOn' logo is visible in the bottom right corner, along with links for 'Terms of Service', 'FAQ', and 'Support'. The footer contains the copyright notice: 'Copyright© 2008 PrinterOn Corporation'.

- Click the PRINT button under Online Printing in the blue shaded area.

■ AT THE LOG IN SCREEN

Enter the student's N # and PIN (Password = PIN)

The screenshot shows the 'Log In' screen. The header includes the 'Campus Printing' logo and a blue navigation bar. The main content area is titled 'Enter Network Login ID' and features two input fields for 'Login ID' and 'Password'. A 'LOG IN' button is located at the bottom right. A text box on the right explains that the service is restricted to students and staff with valid network login accounts and that it uses the user's email address for processing. The version number 'v1.2.24' is displayed in the bottom left corner.

- Click the [edu-studentwifi](#) link at the Choose a Printer dialog box.

Step 1 - Choose a Printer Campus Printing 

[edu-studentwifi](#) Student WiFi Printer [Details](#)

Select a name link to set your print location. The "Details" link shows additional information about each printer. When you submit your print job, your request will be denied if you are not entitled to use that printer.
