Do you have an interest in helping others who are injured? Do you want to make a difference and to be an important part of an emergency team? Train to become an EMT, which could be a first step on a pathway to career as a paramedic or a variety of other careers in health services.

EMERGENCY MEDICAL TECHNICIAN (EMT – BASIC)
In partnership with the Nassau County Emergency Medical Services Academy, NCC is offering the approved New York State Department of Health Emergency Medical Technician - Basic (EMT-B) course which will prepare you to become a certified EMT. The EMT is the basic level Emergency Medical Services (EMS) provider associated with an ambulance service or rescue squad. These technicians are skilled in the provision of basic life support for the many illnesses and accidents that require emergency medical treatment prior to arrival in a hospital emergency department. EMTs are trained in patient immobilization and packaging procedures needed to prevent further injury and to provide safe transport to an appropriate medical facility.

During class time, students will complete the American Heart Association CPR course. In addition to classroom training, students must complete a clinical experience of 10 hours in an emergency room of a local hospital and have an opportunity for a ride-along. Students must also complete three on-line classes, provided free of charge by FEMA. The textbook is required for the first day of class. Students should expect homework assignments after each class. Textbook and medical supplies are additional.

COURSE INFORMATION
Instructor: Certified EMS Academy Instructor
CED 1211 A1 Meets: Tuesday and Thursday, 7:00pm-10:00pm, Saturday, 9:00am-12:00pm and three, double-session Saturdays (11/18, 12/16, and 1/6), 9:00 – 3:30 for 41 sessions.
