Project Management is an in-demand field with strong earning potential. If you have been thinking of formalizing your understanding of Project Management, making a career change, or learning tangible skills for your current role, consider taking these courses during the Fall 2017.

By completing the CAPM® course, a student will receive the required minimum 23 hours of instruction to sit for the Project Management Institute’s (PMI)® CAPM® certifying exam. By also completing two of three additional courses, a student would have the required contact education hours to sit for the Project Management Professional (PMP®) certifying exam. For information on the exams, visit http://www.pmi.org/.
