PUT YOUR WEEKENDS TO WORK FOR YOU

A SUCCESS STORY

Meet Punita Darji, Sunita Darji, and Parul Patel! Three Sisters on an Educational Quest

Well over 2000 students take advantage of Nassau's Weekend College each year, many of them able to attend classes only on weekends. Weekend College students are often those who work full-time and have family obligations as well, so Nassau's weekend classes provide the most convenient opportunity for them to pursue their education. Since 2012, three sisters have been experiencing all that Weekend College has to offer and readily attest to how well Weekend College has served to further their educational journey.

Punita and Sunita Darji and their youngest sister Parul Patel all work full-time for the same well-known hospital in management positions, and together they chose NCC to pursue their education not only because they knew NCC was a fine institution, but also and especially because NCC has a Weekend College. Each sister also wanted NCC's AS degree in Business Administration and that is one of the 5 of NCC's most sought after degrees that are fully obtainable through Weekend College classes.

When asked what they liked best about Weekend College, the sisters commented on excellent professors, the dedicated location of the Weekend College Office which is open to all on Saturdays and Sundays throughout the year, and the helpful staff there ready to assist with any questions they had.

Punita and Sunita Darji both graduated this May with their AS degrees and sister Parul has one more semester before she too heads off to a 4-year institution. All three know their NCC degrees—as well as two perfect 4.0 g.p.a's and a third at 3.97—will ensure easy transfer acceptances, yet the three sisters know their fully Weekend College experience at NCC will have been unique!

Weekend College Supports Educational Goals

Weekend College at Nassau Community College offers five discrete Associate degree programs (AA or AS in *Liberal Arts*; AS in *Accounting*, *Business Administration* or *Criminal Justice*; and certificate in *Paralegal Studies*) for busy individuals and working adults ready and eager to advance their education or enhance career credentials. *Weekend College* is not only able to accommodate most any schedule and budget, but to provide an encouraging environment with essential resources to facilitate pursuit of higher educational goals. From re-entering the job market to exploring career changes or supporting advancement, let *Weekend College* empower your choices to make a smooth transition to transfer experience to a desired field or 4-year institution.

ADVISEMENT ON WEEKENDS!

Weekend College is pleased to provide academic advisement on *most* Saturdays and Sundays, 9:00 am to 2:00 pm. All advisement will take place at 359 Hazelhurst Ave.; appointments are recommended. If you have any questions, please call Office of Weekend College 516.572.7832 or email: weekendcollege@ncc.edu
