

NASSAU COMMUNITY COLLEGE FOUNDATION

The Nassau Community College Foundation is a not-for-profit corporation created in 1983 to support the mission of the College by providing an independent avenue to receive philanthropic aid. For many students, their road to success begins with the Nassau Community College Foundation.

OUR MISSION

The purpose of the Foundation as outlined in its Certificate of Incorporation is generally to receive, hold, invest, and administer gifts and donations for Nassau Community College as well as its students and faculty. Our responsibilities include, but are not limited to fundraising and the distribution of those funds in support of student scholarship opportunities as well as growing our academic programs. The Foundation also supports faculty development as well as a variety of the College's cultural and leadership activities.
