Thank You From Dr. Jermaine F. Williams President, Nassau Community College

On behalf of Nassau Community College, thank you for your generosity and commitment to advancing the College's mission to equitably enhance student access, completion, and post-completion success. As a donor, your contributions assist with student scholarships, student and faculty development programs, enhancement of learning spaces, and future projects that make it possible for us to continue to provide high-quality academics and excellent support services so that our NCC students can continue with a solid foundation for their future successes. This past year, COVID-19 has presented us with unprecedented challenges that have redesigned how we navigate our communities and organize our priorities. Making the decision to support NCC students could not come at a more crucial time. Support has helped us decrease the digital divide, address basic needs such as hunger and food insecurity, and support those who have lost jobs and even loved ones. We are Nassau Strong and with your support we are Nassau Advancing.

The Nassau Community College Foundation tirelessly promotes and advances the College and its reputation while raising funds so that our students are provided with the resources to succeed. Whether you are alumni, faculty, staff, administrator, community member and/ or corporate partner, I encourage you to continue to actively support their endeavors.

Thank you for your commitment.

With appreciation,

Jermaine F. Williams, Ed.D.
President
Nassau Community College

Thank You From Joy DeDonato Executive Director, The Nassau Community College Foundation

Thank You for your commitment to Nassau Community College (NCC). The Nassau Community College Foundation is steadfast in its efforts to develop new and exciting scholarship opportunities while simultaneously ensuring support to those students who may need financial assistance and/or guidance during their time at NCC and beyond. Your gifts throughout this fiscal year have made a direct impact on our students, faculty programs and innovative initiatives that have been a benefit to NCC as a whole. Your collaborative efforts, partnerships and funding assist with the mission and vision of NCC. It is with your help we can continue to strive for excellence and advance in the areas of equitable opportunities and access for our students which include completion and post-completion in their future endeavors; academically, personally and professionally. We appreciate your continued dedication!

To follow is a list of our generous donors from fiscal year 2019-2020. We would like to include you in next year's report; please visit www.ncc.edu/givetoncc to make your donation. Please remember your gift makes a difference!

With Sincere Gratitude,

Joy DeDonato
