### ***Welcome From Dr. W. Hubert Keen, President Of Nassau Community College***

Thank you all for coming to celebrate the success and honor to be conferred upon these students receiving scholarships this evening. These accolades acknowledge the great achievements attained by the recipients, and the distinction is greater for the winners having been selected from many other worthy students. Earning one of these scholarships is not just a recognition of past accomplishment, but also a good predictor of future success. Those who perform at high levels as students are also those with high probability of excelling in their future endeavors. So, congratulations student scholarship recipients, and we hope these awards motivate you to sustain your high quality performance. This is also a time to share appreciation for those who have made these scholarships available through generous donations or dedicated work to raise the funds. We are especially grateful to the Nassau Community College Foundation for its efforts on behalf of our students. A general thanks to the many faculty and staff who have supported these students in their academic programs, and thanks to the members of the Scholarship Awards and Student Aid Committee.

### ***Thank You From Joy DeDonato, Executive Director Of The Nassau Community College Foundation***

It is our privilege to host the Presidential Awards Ceremony on behalf of our President, Dr. W. Hubert Keen. This evening is unique as it unites our accomplished students and our benevolent donors. One of the most rewarding components of the NCC Foundation is managing these relationships to cultivate more opportunities for our deserving students. We wish the scholarship recipients continued academic success, we thank the staff, faculty, The Academic Senate Scholarship and Student Aid Chairs, Kira Adel and Joann Seibert and their Committee as well as Colleen O'Hara, our Scholarship Coordinator for their leadership and we applaud the donors for their investment in our students. Thank you to our supporters: Fidelis Care, NEFCU and Apple Bank for supporting this event that celebrates both the achievements of our students and the work of the Nassau Community College Foundation.
