

PROGRAM	DEGREE/CODE	ADMISSIONS REQUIREMENTS/COMMENTS
PHYSICAL EDUCATION STUDIES	AS - PED1	
PHYSICAL THERAPIST ASSISTANT Deadline - February 22, 2019	AAS - AHS2	<b>Fall admission only. No evening program.</b> <b>Freshmen:</b> Grades of 75 or above in high school biology, chemistry, and 2 years of college preparatory math. <b>Transfers:</b> Grade of C+ or better in Anatomy & Physiology 1 and currently enrolled in, or completion of, Anatomy & Physiology 2. Completion of at least 12 liberal arts credits, with GPA of 2.5 or above, from the PTA program. If chemistry was not taken in high school, a semester of introductory college chemistry is required, and may be counted as part of the required "12 liberal arts credits". All transfer applicants must be in good academic standing at previous college. <b>All Applicants:</b> Written proof from a physical therapist or physical therapist assistant, on facility letterhead stationery, of a minimum of 10 hours volunteer or paid experience in a physical therapy setting. Placement in remediation may remove applicant from consideration. Some accepted students may have to take courses prior to their 1st semester.
Radiologic Tech: RADIATION THERAPY TECH Deadline - January 25, 2019	AAS - AHS3	<b>Fall admission only. No evening program.</b> <b>Freshmen:</b> 77 cumulative GPA, 2 years science (1 year biology, 1 year chemistry or physics); 2 years college preparatory math; minimum grades of 75 in science and math. <b>Transfers:</b> recommend completion of ENG 101, MAT 109, and a 4-credit college laboratory science, preferably A&P 1. Overall GPA 2.8 or better. <b>All applicants-</b> The TEAS exam (Test of Essential Academic Skills) is required of all applicants. Register at: <a href="http://www.attesting.com">www.attesting.com</a> for the exam for nursing students and have scores forwarded to NCC's Office of Admissions. Submit a 300-word essay, discussing your reasons for wishing to enter this field and the qualities you possess that will enable you to become a capable radiation therapist. Required research: applicants must research what the roles and responsibilities of a licensed radiation therapist include, and have a basic understanding of the job description. Interview required. All accepted applicants must pass a criminal background check at the cost of the applicant. Must be legally eligible for employment and licensure in the U.S. at the time of application. Must be at least 18 years old on the first day of the first semester. Placement in remediation may remove applicant from consideration. Some accepted students may have to take courses prior to their 1st semester.
RADIOLOGIC TECHNOLOGY (X-Ray Technology) Deadline - January 25, 2019	AAS - AHS4	<b>Fall admission only. No evening program.</b> <b>Freshmen:</b> Grades of at least 80 in biology, in chemistry or physics, and in 2 years of college preparatory math; minimum cumulative average of at least 80. High school requirements must be met prior to the start of senior year. <b>Transfers:</b> Applicants lacking one or more h.s. requirements must complete ENG 101 or a 3-or-4-credit math course, and either A&P 1 or a semester of college science (biology, chemistry or physics). Overall college cumulative GPA must be at least 2.85. <b>All applicants:</b> At least 2 hours clinical observation in general radiology required; documentation by facility on official letterhead stationery required by the program deadline. Must submit an essay, no longer than 250 words, describing your knowledge of the occupation, reason(s) for choosing the field, and a description of what you saw during your observation. Essay must be submitted by program deadline. In-person interview required. Criminal background check required. Must be legally eligible for licensure and employment in the United States at time of application. Must be at least 18 years old on the first day of the first semester. Placement in remediation may remove applicant from consideration. Some accepted students may have to take courses prior to their 1st semester.

PROGRAM	DEGREE/CODE	ADMISSIONS REQUIREMENTS/COMMENTS
RESPIRATORY CARE Deadline - March 1, 2019	AAS - AHSS	<b>Fall admission only. No evening program. All Applicants:</b> Upper 50% of h.s. class or college GPA of at least 2.5, with "C" (70%) or greater in math, biology and chemistry prerequisites; 2 years h.s. math grade of at least "C" in an equivalent college math course such as NCC's MAT 100 or MAT 109 (or comparable course at another college); h.s. biology and chemistry, or college equivalents. Observation required of professional duties in both critical and non-critical care environments in an acute care hospital's Respiratory Care department. Observation must be documented on approved Observation Experience form (see details at <a href="http://www.ncc.edu/respiratorycare">www.ncc.edu/respiratorycare</a> ). Interview and criminal background check required prior to admission. Must be legally eligible for employment and licensure in the United States at time of application. Placement in remediation removes applicant from consideration. For admitted students, MAT 109 and ENG 101 (or ENG 100 or 108) must be successfully completed prior to beginning the first Fall semester.

## ACADEMIC PROGRAMS/ REQUIREMENTS FOR SPRING 2019/FALL 2019 FRESHMAN/ TRANSFERS

### General Requirements for Admission

Nassau Community College has an open admission policy guaranteeing admission to students who meet the criteria outlined below. Applicants must meet one of the following:

1. Possess an official high school transcript with graduation date or high school equivalent diploma (TASC/GED).
2. Meet the Home-Schooled Student requirements.
3. Complete the New York State 24 College Credit TASC Program (formerly known as GED).

Prospective students are not required by the college to submit standardized test scores such as SAT or ACT. However, submission of these test scores may waive the student from some or all parts of the placement tests.

Placement exams in the areas of English, Reading and/ or Mathematics may be required as part of the admission process. Enrollment in and completion of any required developmental coursework is a condition of acceptance to Nassau Community College.

Programs in the health related programs and Mortuary Science may require a background check and drug screening prior to being eligible for a clinical rotation. Information about specific requirements may be found by contacting the department.

To apply for admissions visit [ncc.edu/apply](http://ncc.edu/apply)
