

WHAT SHOULD I KNOW ABOUT DEVELOPMENTAL REQUIREMENTS AT NCC?

Developmental courses are a condition of your acceptance and should be taken during your first semester of attendance. If you place into two or more developmental courses (except ESL courses), you must also enroll in NCC 101, a one credit Freshmen Seminar.

ENG 001/101: Accelerated Learning Program (ALP) combines developmental ENG 001 with credit-level course ENG 101. Courses must be taken together.

MAT 001: Students placed in math 001 or choosing to meet placement of Math 003 or 013 with the sequence of Math 001 and Math 002 or Math 012.

MAT 003: This intensive course integrates arithmetic and algebra to prepare students for STEM programs.

MAT 013: This intensive course integrates arithmetic and quantitative literacy to prepare students for NON-STEM programs.

MAT 002: This course is intended for STEM programs. Students pursuing STEM should continue to the MAT 109/Pre-Calculus track.

MAT 012: This course is intended for NON-STEM programs. Upon completion students can register for MAT 100, 101, 102, 114, 118.

NON-CREDIT COURSES COUNT TOWARDS FULL-TIME ENROLLMENT

All developmental courses are non-credit but count as hours for full-time enrollment, billing, financial aid and health/dental insurance purposes (if applicable). Students eligible for Excelsior Scholarship should consult with the Financial Aid Office.
