# D2L BRIGHTSPACE

# Asynchronous Online at NCC

ASYNCHRONOUS ONLINE course content and instruction are delivered entirely using D2L Brightspace without set meeting times. **Your course in D2L Brightspace opens on the first day of the semester.**

**Course Activities may include:**
Watching videos, participating in discussions, taking quizzes or tests, reading articles and lecture notes, recording videos, practicing presentations, exploring web resources, doing research, contributing to group projects.
