How do I find out which courses meet a SUNY GER requirement?

Courses that meet a SUNY GER are assigned the corresponding "Attribute Type." These attributes are listed in the course descriptions and can be used as a search parameter when registering for courses in the MyNCC portal.

To search in the MyNCC Portal for courses that meet a SUNY General Education Requirement (SUNY GER):

1. Go to your **Registration Information** menu and click on **Look Up Classes** or **Add or Drop Classes.**

2. Use **Advanced Search.**

3. In the **Attribute Type** field, highlight the desired SUNY GER, as indicated in the list below:

GAMH	SUNY GER American History
GART	SUNY GER The Arts
GBCM	SUNY GER Basic Communication
GFOL	SUNY GER Foreign Language
GHUM	SUNY GER Humanities
GMAT	SUNY GER Math
GLAB	SUNY GER Natural Sciences
GOWC	SUNY GER Other World Civilizations
GSBS	SUNY GER Social Sciences
GWEH	SUNY GER Western Civilization

4. Click **Section Search.**

5. Results will display courses that you may select to meet the corresponding SUNY GER.
