

Make the **smart** choice for your future. **TRAIN TO BE AN EKG TECHNICIAN!**

Advance Your Career In Health Care

Do you have an interest in making a life-changing difference by helping people of all ages prevent and treat heart disease? Are you looking to expand your credentials in the healthcare field? Training to become an EKG Technician might be the right choice for you. The health care industry on Long Island is one of the fastest growing sectors, and the outlook for the EKG Technician job growth is projected to increase faster than average. Employment opportunities exist in doctor offices, hospitals, diagnostic offices and rehabilitation centers.

EKG Technicians perform electrocardiograms which monitor the patient's heart and can help detect certain heart conditions. Learn how to operate EKG equipment, gain valuable experience running the test on fellow students, and prepare for certification - all in three months! As a certified technician, job opportunities and salaries can increase. With further training or education, and credentials, over time you can advance your career in health care.

Course Information

Using a combination of classroom and lab learning, this course will prepare students to sit for the National Association for Health Professionals (NAHP) EKG Technician Certification exam. Students will be taught the basic anatomy and physiology terminology associated with the heart and circulatory systems, signs and symptoms of diseases, and the electrophysiology/conduction system of the heart. Lab sessions will provide hands-on practice. Students will practice on other students in the class in order to meet the requirement for performing EKGs on live individuals. Students must attend all classes, pass all quizzes and the final, as well as complete all practical skills. **The course has 60 hours of instructor-led sessions in the classroom.**

The course fee includes the textbook, scrubs, stethoscope and blood pressure cuff. The certifying exam cost is additional.

A 30-hour Clinical Internship is available at the end of the program. To be eligible for the Clinical Internship, a student must successfully complete the program, and may be required to complete a drug screening, background check* and/or medical exam, and provide proof of immunization.

CE1 235 B1: ON-CAMPUS COURSE Meets:
Monday and Wednesday, 6:00pm-9:00pm
January 24 - April 10, 2024. The NAHP exam date is **May 15.**
Registrations accepted through **January 10.**
Fee: \$1,795

Certification

Students successfully completing the course will earn a Certificate of Completion from Nassau Community College. To sit for the certifying exam, candidates must meet the requirements specified by the NAHP (<https://nahpusa.com/nrcekq>), including a high school diploma or equivalent and ten successful EKGs on a live individual.

**Applicants will be responsible to complete a background check. Once registered, a student will be provided information on completing the background check. Students are required to pay the cost of the background check. If you have been convicted of a felony, you should contact the Center for Workforce Development prior to registering for this program. A felony conviction may prevent you from participating in a clinical rotation/externship portion of the program. All cases will be reviewed on an individual basis. If it is determined that a student is not eligible to go into a clinical setting, the student may be allowed to continue with only the classroom portion of the program and may not meet requirements to sit for a certifying exam. The refund policy will be adhered to regardless of a student's eligibility for the clinical rotation/externship of any program.*
