

Make the **smart** choice for your future.

TRAIN TO BE AN EMERGENCY MEDICAL TECHNICIAN (EMT-BASIC)

Do you have an interest in helping others who are sick or injured? Do you want to make a difference and be an important part of an emergency team? Train to become an EMT in only four(4) months. It is the first step on a pathway to a career as a paramedic or a variety of other careers in health care.

These technicians are skilled in the provision of basic life support for the many illnesses and accidents that require emergency medical treatment prior to arrival in a hospital emergency department. EMTs are trained in patient immobilization and packaging procedures needed to prevent further injury and to provide safe transport to an appropriate medical facility.

Course Information

In partnership with the Nassau County Emergency Medical Services Academy, NCC is offering the approved New York State Department of Health Emergency Medical Technician - Basic (EMT-B) course which will prepare you to become a certified EMT. During 144 hours of class, students will complete the American Heart Association (AHA) CPR course. In addition to classroom training, students must complete a clinical experience of 10 hours in an emergency room of a local hospital and may have an opportunity for an ambulance ride-along. Students must also complete three online classes, provided free of charge by FEMA. The textbook is required for the first day of class. Students should expect homework assignments and quizzes after each class. **Textbook, medical supplies, and AHA CPR course are additional expenses.** In order to successfully complete this intensive training course, students must have a sufficient ability to speak, read, and comprehend English.

Instructor: Certified EMS Academy Instructor

CE1 211 ON-CAMPUS COURSE

Fee: \$1,500

The current course schedule can be found at [CWD Course Schedule](#).

Students are required to have a computer and WiFi access to complete the course.

Certification

To qualify for the NYS Department of Health (NYSDOH) certifying exam, students must attend all classes, complete all assignments, have a clear (no felonies) background check*, and pass the final written exam and practical skills exam. Students must be 17 years of age by the written exam date. Students who pass the NYS exam will receive an Emergency Medical Technician certification from NYSDOH. Course content meets the requirement for the National Registry Exam (a separate certification at an additional cost).

Online registration is available at

<https://workforcedevelopment.ncc.edu/nassau>

For more information on the Center for Workforce Development, click [NCC Workforce Development](#) or scan the QR code below.

**Applicants will be responsible to complete a background check. Once registered, a student will be provided information on completing the background check. Students are required to pay the cost of the background check. If you have been convicted of a felony, you should contact the Center for Workforce Development prior to registering for this program. A felony conviction may prevent you from participating in a clinical rotation/externship portion of the program. All cases will be reviewed on an individual basis. If it is determined that a student is not eligible to go into a clinical setting, the student may be allowed to continue with only the classroom portion of the program and may not meet requirements to sit for a certifying exam. The refund policy will be adhered to regardless of a student's eligibility for the clinical rotation/externship of any program.*
