The health care industry on Long Island is one of the fastest growing sectors. Consider beginning your employment in this sector by training for a Pharmacy Technician and earning a non-credit certificate. This course is designed for those who wish to qualify for the Pharmacy Technician Certification Board (PTCB) Exam and obtain a title of certified pharmacy technician.

A Pharmacy Technician assists licensed pharmacists in a variety of activities necessary for the dispensing of drugs and drug information. Working under the direction of a licensed pharmacist, duties may include processing prescriptions, measuring, counting, labeling, recording amounts and dosages of medications, inventory management, and customer service.

CERTIFICATION EXAM
The student must make arrangements to sit for a certification exam and candidates must meet certain eligibility requirements specified by the PTCB.

- Candidates must have a High school diploma or its equivalent (e.g. a TASC/GED or foreign diploma with evaluation).
- No felony conviction.
- No drug or pharmacy related convictions, including misdemeanors.
- Compliance with PTCB policies, related to licensing and regulations.

For more specific information on certification, visit www.pharmacytechnician.org/ptcb.

PHARMACY TECHNICIAN
Using a combination of classroom and externship experience, this course will prepare students to sit for the Pharmacy Technician Certification Board (PTCB) exam. During 120 hours of classroom training, students will learn pharmacology, drug classification, purpose, and interaction. Students will study how to interpret a prescription, calculate dosages, prevent medication errors, and fill prescriptions. The course will also review various work settings and the skills needed to assist a pharmacist. Professional communication/teamwork, pharmacy ethics, law, regulations and safety will be stressed. Review and practice for the certification exam is also included.

During an 80-hour externship experience, acquire valuable experience while working alongside a licensed pharmacist. Students must comply with Field Placement/Externship entry requirements as specified by the host company, including background check* drug screening and a government provided photo ID. A High school diploma or equivalent is required. Textbooks, other materials, background check/drug screening, and certifying exam are additional cost.

CE1 254 B1 Meets: Monday and Wednesday, 6:00pm-9:00pm for 32 classroom sessions.
January 30 – June 5, 2019

Externship: 80 hour Field/Placement will be scheduled between May 29 – August 7, 2019.
Classroom sessions during the externship period will meet on 8 Wednesdays, from June 12 – August 7, 6:00pm-9:00pm.

Fee: $2,250

*Applicants will be responsible to complete a background check. Once registered, a student will be provided information on completing the background check. Students are required to pay the cost of the background check. If you have been convicted of a felony, you should contact the Center for Workforce Development prior to registering for this program. A felony conviction may prevent you from participating in a clinical rotation/externship portion of the program. All cases will be reviewed on an individual basis. If it is determined that a student is not eligible to go into a clinical setting, the student may be allowed to continue with only the classroom portion of the program and may not meet requirements to sit for a certifying exam. The refund policy will be adhered to regardless of a student’s eligibility for the clinical rotation/externship of any program.
