

# URGENT: Women

Utility Readiness for Gaining Employment for Non-Traditionals

At Nassau Community College - Center for Workforce Development

**URGENT: Women** is a free career training program designed to prepare women to qualify for in-demand jobs in the gas, water, and electric industries. This program offers classroom instruction in Energy Industry Fundamentals (EIF), OSHA 10, employability workshops and industry field trips.

This training opportunity for women includes a convenient class schedule, access to job shadowing and role models in the field, and ability to earn two industry certifications - one in EIF and the other in OSHA 10. After successfully completing the program, participants will be introduced to recruiters from participating companies. Partner employers include:

**nationalgrid**  
HERE WITH YOU. HERE FOR YOU.

  
NEW YORK  
AMERICAN WATER

 **PSEG LONG ISLAND**  
We make things work for you.

  
**conEdison**

## Minimum Requirements:

- HS Diploma or Equivalent
- Valid Driver's License
- Interest in Technician Work
- Ability to Do Physical Labor & Work Outdoors
- Background Check, Social Media Check, and Drug Testing (prior to employment)
- Proven Eligibility to Work in the U.S.

## Course Dates:

Dates: Monday, Wednesday and Friday beginning March 2019

Times: 10am-2:30pm

Location: Nassau Community College, Garden City, with select one-day onsites at PSEG Long Island, National Grid, American Water, and Con Edison.
